JAMAICA BLUE
SETIA CITY MALL

*In Jamaica,
there is a saying;*

WAN WAN COCO FUL BASKIT

Translation: One cocoa at a time fills the basket

Meaning: If you persevere you will achieve success in the end

It simply means that if you slow down, stop rushing and take your time, you will achieve your goal. At Jamaica Blue, we couldn't agree more. We believe that everybody should take a little time out of their day to recharge, relax and reflect. To stop for a while and simply enjoy the moment.

The name Jamaica Blue comes from the majestic blue mountains of Jamaica - one of the best coffee-producing regions in the world and home to our exclusive Blue Mountain coffee.

To complement our fine coffees, we have a delicious selection of high-quality dishes, freshly made on the premises and prepared using premium, local ingredients.
